

# 2024 MIDDLE SCHOOL AERIAL DRONE CHAMPIONSHIP

HOSTED BY TENNESSEE VALLEY ROBOTICS

The University of Tennessee at Chattanooga  
615 McCallie Avenue  
Chattanooga, Tennessee 37403  
United States

AERIAL **DRONE**  
COMPETITION

## TEAM PIT AREA

Each team will be provided with a 6'x30" pit area, consisting of a rectangle table and 3 chairs. Each pit area will also be provided with power. Please feel free to bring flags, banners, decorations, etc. for your pit area!

Each team's pit area will also include a sign with their team number, name, and location, event swag, aquatic park passes, 2 badges of lanyard, and if purchased- event shirts. Information for these signs will be pulled from your team's profile in RobotEvents and will be produced weeks in advance – be advised that if you change your team name right before the event, that change may not be reflected in your team's pit sign.
